HUGE RED CROSS MASS MEETING TO BE HELD THIS EVENING

Mayor Abbott R. Heywood, Ernest Wilkinson and Earl Pardoe will make the principal addresses.

The Southern Pacific big band will supply the music in the form of patriotic selections.

Those will be the chief features of the huge Red Cross mass meeting to be held tonight in front of the Red Cross headquarters, 2412 Washington avenue. It is expected to be the banner event of the great Red Cross membership drive in Ogden.

Mayor Heywood and Mr. Pardoe will send home the logic of the Red Cross—the reasons for its existence and the need it is accomplishing," said Rev. John Edward Carver, president of the Ogden unit. "They will convince every red-blooded American that it is his duty to enlist under the Red Cross banner. The meeting will start promptly at 8 o'clock."

Immediately preceding the speaking, the Southern Pacific band will form in front of the city hall and march through the downtown districts. It has a membership of fifty and their selections will be the sort that will make patriot blood tingle. The occasion promises to be of the red letter as well as the Red Cross variety.

Although no accounting has been made because a large percentage of the committees have not reported, it is estimated that the drive already has netted between 5000 and 10,000 new members. The total now, it is estimated, is nearer the former figure, but by Monday night it will be nearer the larger number. The public response to the appeal far beyond the most generous expectations of those in charge of the big drive.

Canvassing committees are out today in the Third and Ninth wards and in the wholesale sections, at the railroad offices and shops and in various of the factories. Informal reports indicate that workers receiving almost unanimous results. In one block, one canvasser received nineteen memberships.

Monday night will be the end and the climax of the drive. The Presbyterian, Methodist, Baptist, and Christian church choirs will be divided into squads and sing at all the principal corners on the bench. Hundreds and hundreds of children will sing in the downtown sections. The various ward

viewed regarding war conditions in Canada.

"By saying that the Canadians were war-weary," Miss Gates continued, "I meant to convey the idea that they have felt the brunt of the war heavily, but not that they have relaxed their efforts or lessened their enthusiasm in the prosecution of it."

"I would regret very much to have the people of Canada, who treated me everywhere so royally, feel that I was in any way doubtful of their loyalty to the cause of democracy, especially in view of the courageous and unselfish manner in which they are sacrificing themselves."

"When I said that few women in Canada were knitting, I had in mind a comparison of the intense activity which I saw in the United States. The Canadian women have been knitting diligently for the last three years, and their soldiers are pretty well supplied, while I understand that the Red Cross work in this country is yet in its infancy, and therefore the increased activity here is only natural."

DEMURRER IN THE SHAPLEY CASE

A demurrer was filed today by the Heuser Packard company in the case of Little May Shapley, by her guardian Alfred W. Shapley, against Ogden City and the Heuser Packard company, in which it states that the complaint filed against the defendants does not state facts sufficient to constitute a cause of action. The construction company was named as co-defendant by the plaintiff in his suit for \$25,000 damages because of alleged injuries to his wife which rendered her insane. Mrs. Shap-

ley fell into a sewer excavation on south Washington avenue several months ago. The construction company dug this trench for the city of Ogden and thus came into the suit.

The city filed an answer to the plaintiff's complaint recently, in which it denied responsibility for the accident and claimed Mrs. Shapley fell into the trench because of her own negligence.

NOTED SINGER WEDS PHYSICIAN

GREENWICH, Conn., Dec. 21.—Alice Nielsen, one of the most celebrated of American operatic singers, and Dr. Leroy R. Stoddard, a prominent physician of New York, were married today in the First Presbyterian church. Their intention to marry had been kept a secret from her most intimate friends, Miss Nielsen declaring she wanted to "escape both gifts and advice" and only three persons were present at the ceremony—Erasmus Nielsen, the brother of Miss Nielsen and his wife, and Charles W. White, a boyhood friend of the groom. Miss Nielsen is a southerner by birth and won her first fame as a member of the Bostonians.

Dr. Stoddard is the son of the late S. R. Stoddard, author, artist and publisher.

Dr. and Mrs. Stoddard will sail for Havana tomorrow and on their return will reside in New York. Miss Nielsen will resume her professional career.
